

C4SR - Silent Fan

Key Features

Type: Axial extract fan.
Application: Bathrooms, shower rooms, cloakrooms, kitchens & toilets.
Actual size:
 Square: 180mm(W) x 180mm(H)
 Round: 200mm dia

XPELAIR C4SR

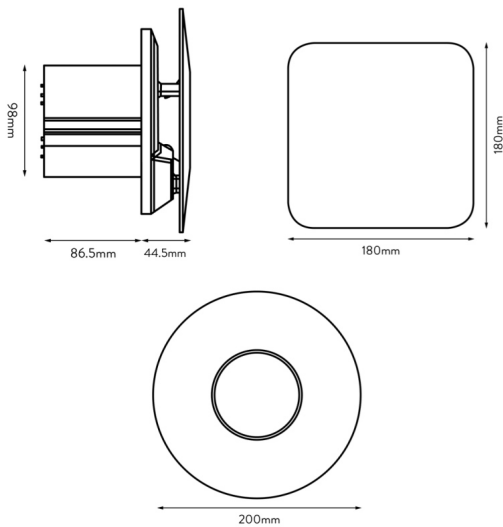

The C4 Contour range effectively eliminates humidity, condensation and odour to improve air quality. Suitable for wall, ceiling and panel fitting. The C4 range has two speeds, selectable at installation.

Near-silent minimises disturbance from noisy bathroom fans for a peaceful night's sleep.

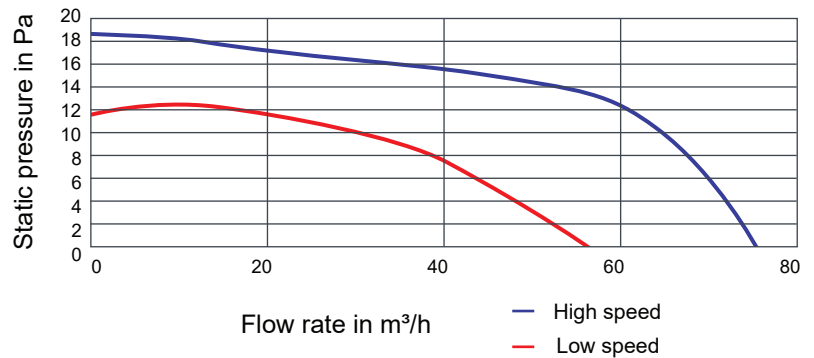

Fan is fitted with a 100mm dia. impeller. Supplied with both circular and square baffles for preferred style finish, and can be removed with ease for cleaning.

The C4SR is suitable for safe installation in a bathroom, rated IPX4 and fitted with a backdraught shutter.
